End-use declaration (EVE)

This confirmation applies to products that are subject to at least one of the listed legal regulations.

Exclusive intended use:

- Products for the manufacture or repair of composite materials

We guarantee and warrant that the product delivered by Selvida GmbH:

- That we as traders only use or resell in a permitted manner and meet the legal requirements for this. The product is delivered to our goods recipient by a person employed by us with expertise in accordance with Section § Chem-VerbotsV. We ask our recipients of goods to confirm or provide evidence that they are using or reselling the substances or mixtures in a permitted manner and that the legal requirements for this are met.

ODER

- as a commercial end user only use it in a permitted manner.**

We were sufficiently informed about the dangers in handling the products and their use (safety data sheet is available)

We further guarantee and warrant that this product:

- Do not obtain with the intention of producing or dispensing substances that can be used as narcotic substances and/or psychotropic substances (GÜG - Basic Substances Monitoring Regulation (EC) 273/2004 regarding drug precursors and Regulation (EC) 111/2005 for the monitoring of trade in drug precursors between the Community and third countries)
- To be delivered to customers who resell the products in whole or in part only on condition that they, if necessary, present a declaration to the same effect from their customer and impose a corresponding obligation on their customer (Chemicals Prohibition Ordinance of January 20, 2017, which is set out in Article 5 of the law of July 18, 2017 has been changed (ChemVerbotsV)).

- We will carefully store the declaration provided by our customer and present it to the monitoring authorities upon request.

- Not available to the public

- Do not misuse for the unlawful production of explosives (EU Regulation 2019/1148 on the marketing and use of precursors for explosives)

- Do not use for military or illegal purposes (CWC – Chemical Weapons Convention)

- For deliveries to countries outside the EU or OECD, we undertake to comply with the applicable Foreign trade regulations must be fully observed (Regulation (EC) No. 428/2009

“EC Dual-use Regulation”, Regulation (EU) No. 649/2012 “PIC Regulation”)

- Do not resell to persons, organizations or to countries against which there are embargo measures by the EU, the UN or the USA.

- We guarantee expertise in handling chemicals.

We further confirm that Selvida GmbH:

- about the dangers associated with the use of the product (safety data sheet)

- has been informed about the necessary precautions for intended use and in the event of accidental spills or releases and regarding proper disposal.

**Information for the customer about handling products,
which are subject to the Chemicals Prohibition Ordinance:**

**You will receive a product that is subject to the Chemicals Prohibition Ordinance in Europe.
This is nothing unusual, but you should follow the rules below.**

**Please read the instructions and safety advice on the hazardous substance labels exactly
through.**

- ✓ **You are over 18 years old. Younger people are prohibited from using these products.**
- ✓ **Avoid skin contact with the products and ensure adequate ventilation, in the case of toxic substances (toxic when inhaled) also with the help of respiratory protection.**
- ✓ **Wearing gloves and safety glasses is recommended. After cleansing, protect your skin with suitable skin protection care.**
- ✓ **Keep the products away from sources of ignition.**
- ✓ **Pregnant women should not meet these products.**
- ✓ **Collect spilled dangerous goods with binding agent.**
- ✓ **Please dispose of waste materials, residues, and uncleaned empty packaging via the regional waste disposal companies. Under no circumstances should you dispose of it with household or commercial waste.**
- ✓ **Use and process the products only as intended.**
- ✓ **Commercial customers receive the associated safety data sheet. The safety data sheet is also available upon request at this email address: order@gelcoat.store**
- ✓ **Resellers, regardless of the level of trade, must fully comply with the ChemVerbotsV (duty of notification or permission, expertise requirements, instruction of those affected, obligation to provide proof, bans on self-service, bans on sales to private individuals).**
